Ordering Your Textbooks

Students are free to purchase textbooks from any vendor of their choice. However, if you are charging textbooks to your student account, you can only purchase your books through the Greenville College Bookstore.

Call the Greenville College Bookstore at (618) 664-6720 or complete the online order form at http://www.cbamatthews.com/green/ to order textbooks from the list for your program. You can find this by clicking through the www.greenville.edu site via this series of clicks: campus services, campus bookstore, then textbooks.

If charging to your student account, please obtain your confirmation number prior to ordering your textbooks by calling the Business Office. This number needs to be included when you call to place your order.
Undergraduate students call Melissa at 618-664-7113.
Graduate students call Emily at 618-664-7016.

If you are not charging to your student account and still wish to purchase your textbooks from the Greenville College Bookstore, you may call to charge the books to a credit card.

Sales tax at the Greenville Bookstore is 6.75%; shipping and handling is $7.00 for the first book and 50 cents for each additional book.

CAUTION: Students should not purchase books for future semesters until that term's final book list is made available. Occasionally, publishing companies discontinue text book editions and force a newer, revised edition. In these situations, the old editions are no longer available to the GC Bookstore or instructors and may be un-returnable for you, the student. The Greenville College Bookstore and the Greenville College School of Education are not responsible for incorrect student purchases made in this situation.

RESALE SITE: Students who own used text books and wish to resale them to other students in their program may share their information with Rhonda Gregory. Rhonda will post your contact information and sale items in LiveText and on Panthernet.

If you have questions or problems ordering your textbooks, please call Rhonda Gregory in the School of Education at (618) 664-6749. Thank you.
